# Our Products

We've taken a **strong, progressive approach** to the range taking it to the very **forefront of the professional cleaning category**.

Our designs and offering is based on our beliefs of **continued quality and innovation**. With a host of distinctive end user benefits, **the range features:**

- ✓ **Label designs** – A strong colour scheme with clear and simple colours recognised within the industry, easily identifying the application area.
- ✓ **Alphanumeric coding** – Quick and easy 'one look' coding reference, perfect for busy professionals.
- ✓ **Recyclable bottles and trigger heads** – Our 750ml trigger spray bottles and triggers are 100% recyclable, manufactured entirely from plastic with no metal parts.
- ✓ **Improved technical information** – All of our packaging shows full product composition and technical information – we've nothing to hide.
- ✓ **QR codes** – All of our labels have QR codes for downloadable Safety Data Sheets, Technical Information and Usage Wallcharts.
- ✓ **Formulations** – Ensuring our core offering is stronger than ever, we have improved many of our formulations for even better performance. We have also extended the range with more cleaning area specific formulations.
- ✓ **In-stock availability** – All of the Super Professional range is in-stock for delivery within 3–4 days.

## Hygiene Colour Reference

Designed around the British Institute of Cleaning Science (BICS) colour coding – recognised within the industry to easily identify the application areas.

## Buyer

### Large Midlands based Wholesaler

"As a wholesaler we've been selling the Super Professional range for over 15 years and we've seen constant growth, but particularly in the last few months as the range has been redesigned and increased dramatically in size – it's fantastic! Super Professional is core to our business and our customers, we are more than happy to recommend other organisations to use Mirius. They are enthusiastic, very knowledgeable in their market sector and a pleasure to work with, plus we make great margins on the range."

## Owner

### Small London based Distributor

"Mirius are an extremely knowledgeable organisation that embody the 'can do' attitude that we need as we are only a small scale distributor. They are highly responsive and efficient. It's so easy with them, we get access to their extensive cleaning range, great resources and product specialists."

## Head of Sales

### Large Yorkshire based Distributor

"Undoubtedly we have secured new customers and large contracts through working with Mirius and listing the Super Professional range. They are extremely proactive with us as a business, continuously supporting our growth and providing us with the information and backing we need to have a strong advantage over our competition."
