

PROFESSIONAL HYGIENE GENERAL PRODUCT GUIDE

**Evans
Vanodine**

EST. 1919

INTRODUCTION

Evans Vanodine has been developing and manufacturing cleaning and hygiene products for over 100 years. Our products cover an extensive range of applications within industrial and professional hygiene sectors, from catering and hospitality to infection control and hand hygiene. The company, still owned and run by the Evans family, currently exports products to over 85 countries worldwide.

We have built a reputation on innovation and commitment to research and development. In-house microbiologists and chemists enable us to deliver quality and consistency at every stage of production and ensure all our products comply with regulations and that virucidal and bactericidal claims are substantiated by BS EN test methods.

The professional hygiene products shown in this brochure are only a selection of what we can offer. Please visit our website to view the full range.

Product information and support material for Livestock and Professional Hygiene products is available to download.

FLOOR AND CARPET CARE

Extract Pro Carpet and upholstery shampoo

- Emulsifies dirt and stains and provides anti-soiling protection in one operation.
- Suitable for colour-fast carpets and upholstery.
- Contains a fresh, floral perfume.
- For use in conjunction with an extraction machine.

5 L

Defoamer Anti-foam agent

- Highly concentrated defoaming solution.
- Formulated to combat foam production.
- Prevents the accumulation of foam in hot water extraction machine's recovery tank when shampooing carpets and upholstery.
- Effective in effluent treatment tanks, pumps, pipelines and fountains.

5 L

Spot Light™ Spot and stain remover

- Ready-to-use quickly removes spots and stains from carpets and upholstery.
- Produces an absorbent foam which suspends soil and emulsifies fats and oils.
- Suitable on colour-fast carpets and furnishings.
- Contains a pleasant residual perfume.
- Suitable for removing a variety of stains.

750ml

Easy Strip™ Fast-acting polish stripper

- Powerful, quick, effective action.
- Removes stubborn polish and heavy build-up.
- Use with a mop or floor machine.
- Does not need to be neutralised - saves time.
- Approved for POLYFLOR flooring.

5 L

FLOOR AND CARPET CARE

Enhance™ Ultra-high solids floor polish

- Provides an extra durable, wet look finish.
- Ideal for prestigious floors.
- Excellent scuff and slip resistance.
- Superior response to spray burnishing.
- Suitable for heavy traffic areas.
- Approved for POLYFLOR flooring.

5 L

Mexapol® High-solids floor polish

- Provides a durable high gloss finish.
- Excellent scuff and slip resistance.
- Responds to spray burnishing.
- For medium to heavy traffic areas.
- Approved for POLYFLOR flooring.

5 L

Sealant B™ Emulsion polish primer

- Acrylic water-based floor polish primer, contains special polymers to penetrate into the floor surface,
- Acts as an undercoat for optimum polish performance.
- Especially effective on old, worn and porous floors prior to polishing the floor.
- Improves the durability of the floor polish.
- Also suitable for use on new floors.

5 L

Sealaqua Polyurethane floor seal

- Provides a protective, slip resistant finish.
- For use on internal wood and concrete floors.
- Quick drying; can be re-coated within 2 hours.
- Low odour and non-flammable.

5 L

FLOOR MAINTAINING

Clean & Shine™

Neutral floor maintainer

- Removes scuff marks and restores gloss finish.
- Increases slip resistance and polish durability.
- Suitable for damp mopping and spray burnishing.
- Contains a fresh, floral perfume.
- Approved for POLYFLOR flooring.

5 L

High Class™

Neutral hard surface cleaner

- Cleans surfaces without dulling the gloss.
- Ideal for vinyl, marble, terrazzo and polished floors.
- Also suitable for windows, paintwork and plastic.
- Damp mop or spray on-wipe off.
- Fresh orange fragrance.
- Approved for ALTRO and POLYFLOR flooring.

5 L

GP Lemon Gel

Neutral cleaning gel

- Multi-purpose cleaning gel and deodoriser.
- Ideal for damp mopping and spray cleaning.
- Removes general soiling from all washable surfaces.
- Provides a gloss finish when burnished with a high-speed floor machine and polishing pad.
- Fresh lemon aroma.

5 L

Pine Gel

Neutral cleaning gel

- Multi-purpose cleaning gel and deodoriser.
- Removes general soiling from all washable surfaces.
- Provides a gloss finish when burnished with a high-speed floor machine and polishing pad.
- Ideal for mopping or spray cleaning.
- Leaves a pleasing, long-lasting, pine fragrance.

5 L

FLOOR MAINTAINING

Low Foam Heavy™

Alkaline multi-surface cleaner

- Low foaming alkaline cleaner for use in combination scrubber dryer floor machines.
- Removes heavy soiling with one pass of the machine.
- Unperfumed. Perfect for use in food preparation areas.
- Ideal for factory and warehouse floors.
- Suitable for a variety of floor surfaces including vinyl, rubber, asphalt, concrete and unpolished surfaces.
- Also recommended for the general mopping of badly soiled surfaces.

5 L

Low Foam Light™

Neutral multi-surface cleaner

- Multi-surface, low foaming neutral cleaner for use in combination scrubber dryer floor machines.
- Ideal for use in supermarkets, shopping and leisure centres, airports and sports halls.
- Unperfumed, ideal for use wherever food and drinks are prepared or served.
- Highly recommended for marble, terrazzo and polished floors, also use on vinyl, rubber, ceramic and sealed wood.
- Can also be used for the general mopping of lightly soiled floors.

5 L

HARD SURFACE

Clear™

Window, glass and stainless steel cleaner

- Alcohol based to remove heavy grime and quickly evaporate from surfaces.
- Unperfumed; suitable in food establishments.
- Provides a sparkling streak free finish on glass, mirrors, ceramic, stainless steel and porcelain.
- For extra economy, refill the 750 ml bottle directly from the 5 L using an aeroflow tap or pelican pump.

750ml 5 L

LSP

Furniture polish and cleaner

- Multi-surface liquid spray polish and cleaner.
- Leaves a deep, lustrous, long-lasting shine.
- Possesses anti-static properties.
- Ready-to-use formulation, with a pleasant perfume.
- Suitable for use on a variety of surfaces.
- For extra economy, refill the 750 ml bottle directly from the 5 L using an aeroflow tap or pelican pump.

750ml 5 L

Versatile

Hard surface cleaner

- Efficient and quick-acting, multi-purpose cleaner.
- Removes stubborn and heavy soiling.
- Suitable for use on all washable surfaces.
- Suitable with high-speed floor machines.
- Leaves a clean, fresh fragrance.
- Approved for ALTRO and POLYFLOR flooring.

5 L

Mystrol™ and Mystrol™ RTU

Multi-purpose cleaner

- Heavy-duty, multi-purpose cleaner.
- Removes stubborn dirt, grime and heavy grease.
- Contains a fresh lemon perfume.
- Suitable for use on all washable surfaces.
- Ideal for spray on-wipe off cleaning systems.
- 5 L is concentrated to refill 750 ml trigger bottle dilute 60 ml per 750 ml cold water.

750ml 5 L

HARD SURFACE

Spray & Wipe

Daily multi-task cleaner

- Multi-task, neutral cleaner.
- Quickly and efficiently removes soil from laminates, windows and internal hard surfaces.
- Contains a fresh, clean, peppermint fragrance.
- For extra economy, refill the 750 ml bottle directly from the 5 L using an aeroflow tap or pelican pump.

750ml 5 L

Clean Fast®

Heavy-duty washroom cleaner descaler

- Easily removes body fat and limescale.
- Produces a thick, clinging foam for longer contact time.
- Leaves an invisible, durable barrier to help prevent soap and hard water deposits.
- Ideal for sinks, baths, showers, tiles, toilets and floors.
- Tangerine perfume.
- Approved for ALTRO flooring.

750ml 5 L

E-Pine

General multi-purpose perfumed cleaner

- Overcomes malodours in drains and toilets leaving a clean, fresh, pine fragrance.
- For use on all washable hard surfaces.
- Suitable for mopping floors and wiping sinks and toilet surrounds.
- Neutral pH.

5 L

Lime

Citrus general multi-purpose cleaner

- Ideal for use on all washable hard surfaces.
- Overcomes malodours in drains and sinks.
- Leaves a refreshing long-lasting lime fragrance.
- Suitable for mopping floors, wiping sinks and surrounds.

5 L

DISINFECTANT

Est-eem™ and Est-eem™ RTU

Multi-purpose, unperfumed sanitiser disinfectant

- Multi-purpose cleaner and terminal disinfectant.
- Recommended for a variety of hard washable surfaces and equipment or wherever there is a risk of infection.
- Passes EN 14476 and EN 16777, effective against enveloped viruses.
- Kills a wide range of bacteria and yeast.
- Passes EN 1276, EN 16615 and EN 1650.
- Ideal in kitchens and the food industry.

750ml 5 L

Protect™ and Protect™ RTU

Multi-purpose, perfumed disinfectant cleaner

- Multi-purpose, perfumed detergent and disinfectant.
- Passes EN 14476 and EN 16777, effective against enveloped viruses.
- Kills a wide range of bacteria and yeast, helping to prevent cross contamination.
- Passes EN 1276, EN 1650 and EN 16615.
- Ideal in schools, leisure centres and clinics.

750ml 5 L

Final Touch+ and Final Touch+ RTU

Washroom sanitiser

- Removes general soiling from a variety of surfaces.
- Kills bacteria and yeast.
- Passes EN 1276, EN 1650 and EN 16615.
- Effective against Legionella, MRSA and E-coli.
- Highly perfumed; leaves a long lasting fragrance.
- Ideal for sinks, baths, showers, tiles, toilets and floors.

750ml 5 L

Safe Zone™ Plus

Virucidal disinfectant

- Removes soiling and disinfects in one operation.
- Kills bacteria and yeast, Passes EN 1276 and EN 1650.
- Passes EN 14476, effective against enveloped viruses.
- Effective against Norovirus, Influenza and MRSA.
- Ideal in health care establishments.
- Unperfumed.

750ml 5 L

DISINFECTANT

Ensure

Alcohol sanitiser

- QAC free, unperfumed disinfectant cleaner.
- Kills bacteria and yeast.
- Passes EN 1276, EN 1650 and EN 13697.
- Ideal for use in the food processing, catering and healthcare industries.
- Quickly evaporates from the surface, leaving it clean, dry and disinfected.
- Also for use in medical areas, laboratories, veterinary clinics and the leisure industry.

750ml 5 L

Trident

Sanitising powder

- A blend of detergent and chlorine releasing agents.
- Provides in excess of 10,000 ppm available chlorine.
- Ideal for a variety of applications in catering, leisure, housekeeping, healthcare and the dairy industry.
- Can be used neat or dissolved in water.
- Also removes tannin from crockery and mould and mildew from grout.

500gm 5kg

Veggisan

Disinfectant tablets

- Fast-dissolving, easy-to-use, effervescent tablets.
- Produces a disinfectant solution for salads, vegetables and non-peelable fruit without the water being a source of contamination.
- Suitable in all water types.
- Long shelf life, stable for up to 5 years.

TUB

BLEACH

Cyclone

Extra thick bleach

- Perfumed bleach with added detergent.
- Thickened; extends the contact time for superior cleaning and disinfecting.
- Suitable for a variety of applications including surfaces, toilets and laundry.
- Ideal for removing mould and mildew from grout.
- Kills bacteria; passes EN 1276.
- Effective against MRSA.

5 L

Cyclone Spray

With bleach

- A special blend of surfactants and hypochlorite, providing a powerful and effective cleaning product.
- Ready-to-use disinfectant cleaner for the broad spectrum control of micro-organisms.
- Passes EN 1276 and EN 1650.
- For use on a variety of hard surfaces.

750ml

Chlor Liquid

Disinfection of salad, vegetables and non-peelable fruit

- Provides a safe disinfection solution for salads, vegetables and non-peelable fruit.
- Efficient and cost effective. Keeps wash water clean.
- Formulated using a blend of alkali and hypochlorite.
- Will not damage pipelines or components.
- Effective in all water conditions.

5 L

Chlor Tabs

Disinfection tablets

- Quick dissolving tablet providing a disinfectant solution to kill bacteria, fungi, viruses and spores.
- Each tablet provides 1,000 parts per million available chlorines per 1 litre of water.
- Suitable for a wide range of applications in kitchens, food preparation areas and medical establishments.

TUB

DEGREASER

Lift® and Lift® RTU

Heavy-duty cleaner degreaser

- Powerful, multi-surface cleaner and degreaser.
- Cuts through grease and removes ingrained soil.
- For use on floors, walls, cooker hoods and ovens.
- Ideal in kitchens and the food industry.
- Easily removes fat, grease, oil and ingrained soiling.
- Suitable in all water conditions.
- Approved for ALTRO and POLYFLOR flooring.

750ml

5 L

25 L

Rubicon

Citrus cleaner degreaser

- Multi-purpose, heavy-duty detergent.
- Removes heavy soiling, oil and grease.
- Ideal for workshops, factory and garage floors.
- Recommended for removal of body fat and heavy soiling in the leisure industry.

5 L

Apeel

All-purpose cleaner

- Very effective cleaner and degreaser.
- Neutral pH yet easily removes heavy soil.
- Suitable on all washable surfaces.
- Contains natural ingredients derived from orange peel.
- Leaves a fresh citrus fragrance.

5 L

EMC™ Plus

All-purpose cleaner and degreaser

- Heavy-duty degreaser and safety floor cleaner.
- Rapidly removes grease and heavy soil.
- Unperfumed - ideal in kitchen areas.
- Suitable for use on all washable surfaces.
- Recommended for spray cleaning floors.
- Approved for ALTRO and POLYFLOR flooring.

5 L

AUTO DISHWASH

Dishwash

For automatic dishwash machines

- High-active, low-foaming dishwashing detergent for use in all water conditions.
- Supplied in natural, see-through containers to easily check the volume.
- Helps to prevent scale formation and re-deposition of soil.
- Cuts through grease and dried on food deposits.
- Suitable for use in all types of single and multi-tank automatic dishwashing machines.

Dishwash Multi

For automatic dishwash machines

- Low-foaming dishwashing detergent.
- Leaves crockery, glassware and utensils clean and bright.
- Supplied in natural, see-through containers to easily check the volume.
- Helps to prevent scale formation and re-deposition of soil.
- Cuts through grease and dried on food deposits.
- Suitable for use in all types of single and multi-tank automatic dishwashing machines.
- Excellent cleaning in soft to medium water conditions.

Dishwash Chlor

For automatic dishwash machines

- Low foaming detergent with chlorine.
- Ensures crockery, glassware and utensils are clean.
- Formulated to remove general soiling, protein and tannin.
- Supplied in natural, see-through containers to easily check the volume.
- Suitable for use in all types of single and multi-tank automatic dishwashing machines.
- Ideal in soft or softened water areas.

Dishwash Extra

For automatic dishwash machines

- Concentrated, low-foaming dishwashing detergent.
- Leaves crockery and kitchen utensils clean and bright.
- Removes heavy grease and dried on food deposits.
- Supplied in natural, see-through containers to easily check the volume.
- Suitable for use in all types of single and multi-tank automatic dishwashing machines.
- Ideal in soft or softened water areas.

AUTO DISHWASH

Dishwash Compact

For automatic dishwash machines

- Solid dishwash detergent especially for high-use dishwashing machines.
- For use through a dedicated automatic solid dishwash dispenser system.
- Very economical; concentrated formulation.
- Brilliant results on crockery and glassware.
- Suitable in all water conditions.

Rinse Aid

For automatic machines

- Concentrated low-foaming rinse aid which promotes the rapid drying of glassware, crockery and kitchen utensils.
- Natural see-through container to easily check volume.
- Suitable for use in all dish and glasswash machines.
- Provides brilliant, sparkling, streak-free results.
- Eliminates water spotting and improves drying of glassware, crockery and kitchen utensils.
- Contains ingredients to prevent scale forming during the rinse cycle.

Rinse Aid Multi

For automatic machines

- Formulated using a concentrated, low-foaming surfactant.
- Will not affect beer head retention.
- Promotes the rapid drying of drinking glasses, crockery and utensils.
- Eliminates water spotting to provide streak-free results.
- Natural see-through container to easily check volume.
- Suitable for use in all dish and glasswash machines.
- Effective in all water conditions.
- Also recommended for use in combi ovens.

Rinse Aid Extra

For automatic machines

- Concentrated and low-foaming to promote the rapid drying of crockery, glasses and utensils.
- Eliminates water spotting to provide streak-free results.
- For use in all single and multi-tank automatic dish and glasswash machines.
- Natural see-through container to easily check volume.
- Ideal for use after **Combi Oven cleaner** in combination ovens to achieve the ultimate clean.

AUTO DISHWASH

Crusader Dishwash

For automatic machines

- Professional formulation.
- Low-foaming liquid detergent.
- Helps to prevent scale formation and re-deposition of soil.
- Cuts through grease and dried on food deposits.
- Leaves crockery completely clean and hygienic.
- Supplied in a see-through container to easily check volume.
- Concentrated for greater economy.
- Suitable in all water conditions.

5 L

Crusader Dishwash Extra

For automatic machines

- Professional formulation.
- Low-foaming liquid detergent.
- Specially formulated for use in hard water conditions.
- Helps to prevent scale formation and re-deposition of soil.
- Cuts through grease and dried on food deposits.
- Leaves crockery completely clean and hygienic.
- Supplied in a see-through container to easily check volume.
- Concentrated for greater economy.
- Suitable in all water conditions.

5 L

Crusader Rinse Aid

For automatic machines

- Professional formulation.
- Low-foaming rinse additive to promote rapid drying of crockery, glassware and utensils.
- Eliminates water spotting and provides brilliant, sparkling, streak-free results.
- Supplied in a see-through container to easily check volume.
- Concentrated for greater economy.
- Suitable in all water conditions.

5 L

Crusader Rinse Aid Extra

For automatic machines

- Professional formulation.
- Specially formulated for use in hard water conditions.
- Low-foaming liquid to promote rapid drying of crockery, glassware and utensils.
- Eliminates water spotting and provides brilliant, sparkling, streak-free results.
- Supplied in a see-through container to easily check volume.
- Concentrated for greater economy.

5 L

AUTO DISHWASH

Glasswash

For use in automatic glasswash machines

- High-active, low-foaming detergent.
- Removes general soiling from drinking glasses to ensure they are clean and bright.
- Will not affect beer head retention.
- Very economical in use.
- Supplied in a natural, see-through container to easily check volume.
- Effective in all water conditions.

5 L

Glasswash Extra

For use in automatic glasswash machines

- Concentrated low-foaming detergent.
- Removes general soiling from drinking glasses to ensure they are clean and bright.
- Will not affect beer head retention.
- Highly recommended for use in all water conditions, especially hard water areas.
- Very economical in use.
- Supplied in a natural, see-through container to easily check volume.

5 L

Glass Renovator

Glass renovator and machine cleaner

- Low-foaming liquid detergent for removing protein deposits, yeast, beer residue and bloom from drinking glasses.
- Restores glassware to a highly satisfactory condition.
- Reduces the need to replace glasses.
- Clean the glasswash machine in the same operation.
- Will not affect beer head retention.
- Supplied in a natural, see-through container to easily check volume.

5 L

Alu Safe Tray Wash

For automatic machines

- Highly efficient, aluminium safe, low-foaming detergent.
- Ideal for professional kitchens and in the food industry.
- Removes fat, grease, burnt on food debris and carbon deposits from aluminium, zinc trays, utensils, glazed pots and metal equipment.
- Also for use on plastic trays, crates, polycarbonate and caustic sensitive metal surfaces.
- Effective in all water conditions.
- Supplied in a natural, see-through container to easily check volume.

5 L

20 L

AUTO DISHWASH

Glaze All In One

100 dishwasher capsules

- Individual water soluble capsule with a dissolvable wrapper.
- Phosphate-free formulation. Better for the environment.
- Contains an active stain remover and enzymes to cut through greasy food.
- Leaves crockery, cutlery and glassware clean and bright.
- Built-in salt action leaves dishes spotless and machine clean.
- Helps to overcome the build-up of limescale in machines.
- Efficient cleaning even on a short cycle wash.

BOX

Beerline

Pipeline cleaner

- Highly effective beer pipeline cleaner rapidly removes yeast, protein and residue from the dispensing system.
- For traditional hand pumps and pressure keg beerlines.
- Concentrated, non-tainting formulation.
- Formulated using a blend of alkali and hypochlorite.
- Will not damage pipeline or components.
- For use with cold water.
- Effective in all water conditions.

5 L

Descale

For automatic washing machines and equipment

- Concentrated acid-based liquid for descaling industrial automatic dish and glasswash machines.
- Removes heavy soiling and limescale build-up.
- Removes limescale from a variety of kitchen equipment.
- Safe on stainless steel.
- Unperfumed and undyed.

5 L

Kettle Descaler

For descaling tea/coffee equipment and showerheads

- Concentrated acid-based formulation.
- Removes heavy limescale build-up and general soiling.
- Suitable for descaling kettles, tea/coffee urns, coffee machines, bain maries, boilers and showerheads.
- Safe to use on stainless steel.
- Low-dosage, very economical in use.

1 L

AUTO DISHWASH

MANUAL DISHWASH

Q'det™

Unperfumed liquid detergent

- Superior washing up liquid for the manual cleaning of crockery, glassware and kitchen utensils.
- Easily removes heavy soil and grease.
- Foam boosters provide a rich, long-lasting foam.
- Concentrated for greater economy.
- Unperfumed and undyed.
- Suitable for the general cleaning of floors, walls and hard surfaces.

1 L 5 L

Q'sol™

Superior washing up liquid

- Concentrated formulation for the manual cleaning of crockery, glassware and kitchen utensils.
- Contains excellent grease removal properties.
- Excellent drainage properties.
- Produces a high foam under heavily soiled conditions.
- Ideal for pre-soaking and washing heavily soiled dishes.
- For general cleaning of floors, walls and hard surfaces.
- Clean, fresh fragrance

1 L 5 L
20 L

Kind™

General purpose washing up liquid

- Washing up liquid for the manual cleaning of crockery, glassware and kitchen utensils.
- Excellent grease removal and drainage properties.
- Produces a good foam with a light lemon fragrance.
- Recommended for washing vehicles and the general cleaning hard surfaces.

5 L

Destain

Coffee stain and tannin remover

- Highly effective powder containing a chlorine releasing agent.
- Quickly removes stains from a variety of items.
- Dissolves easily in hot water.
- For use on crockery, tea urns, coffee making machines and vending machines.
- Unperfumed.
- Effective in soft, medium or hard water areas.

5 kg

OVEN AND GRILL

Oven Cleaner

Heavy-duty cleaner

- Powerful and very effective, thickened, foaming, heavy-duty oven cleaner with a low odour.
- For cleaning the interior of enamelled ovens and surfaces, griddles and cast iron hobs.
- Removes the most stubborn baked-on grease and carbon.
- The foam clings to vertical surfaces giving a longer contact time for better cleaning.
- Ideal for the deep cleaning of ovens.
- An extending trigger is supplied in each box.

750ml 5 L

Combi Oven Cleaner

Concentrated detergent

- High active, low foaming detergent, developed especially for effective cleaning of the interior of combination ovens.
- Easily removes baked-on grease and food deposits.
- Low foaming formulation.
- Designed for automatic dosing during a selected cleaning programme of the oven's cleaning system.
- Effective in all water conditions.
- Also suitable for manual cleaning.

5 L

Grill Cleaner

High Temperature

- Powerful cleaner for griddles and hot plates.
- Designed to be used at high temperatures.
- Quickly removes baked-on carbon and grease without the need to cool.
- Strips grease build-up in just 60 seconds.
- No need to cool or rinse grill; helping to eliminate downtime.
- Fragrance-free, suitable for use in the food industry.
- Use in conjunction with Rinse Aid Extra.

1 L

DRAIN MAINTENANCE

Drain Clear

Bio drain and grease trap maintainer

- Biological liquid that digests fat and grease.
- Will control odours and help prevent blockages.
- Contains naturally occurring micro-organisms to help keep drains clear and free-flowing.
- Safe to handle, eliminates the need for hazardous chemicals.
- Allows grease traps to work more efficiently, reducing the frequency of emptying by up to 70%.

5 L

10 L

Sink & Drain Clear

Emulsifies grease and fat

- Powerful, high-active liquid which clears grease, fat and food deposits in drains, gulleys and waste outlet pipes.
- Works quickly and efficiently to keep drains free-flowing.
- Helps to avoid expensive call out charges.
- Maintains drains to reduce build-ups and blockages.
- Unperfumed, suitable for use where food is handled.
- Helps to overcome and control malodours.
- For use in kitchens, washrooms and shower areas.

5 L

FOOD PLANT PROCESSING

Target™

Alkaline foam cleaner

- Heavy-duty, alkaline detergent.
- Versatile, can be used as a foam by immersion or by manual cleaning.
- Effective removal of food soil in meat processing factories and slaughterhouses.
- Fast and effective removal of fat and grease.
- Suitable for use through high pressure water and compressed air systems.
- Can be used in hot or cold water.
- Suitable in all water conditions.

25 L

Target™ Extra

Chlorinated foaming and cleaning detergent

- Powerful, heavy-duty foam cleaner containing caustic and hypochlorite, for use in the food process industry.
- Effective removal of food soil, stains, fats and protein.
- Suitable for use in high pressure water and compressed air systems.
- Can be used in hot or cold water.
- Suitable in all water conditions.
- Produces a stable foam.

5 L

25 L

Target™ Acid Foam

Acid foam cleaner

- Powerful, heavy-duty, acidic detergent, for use in the food process industry by foam, immersion or manual cleaning.
- Effective removal of food, soil, staining, protein deposits and hard water scale.
- Suitable for use in high pressure water and compressed air systems. Produces a stable foam.
- Can be used in hot or cold water.
- Brightening effect on stainless steel.

25 L

Vanoquat™

Formulated quaternary disinfectant

- Detergent disinfectant for the food process industry.
- For single or two-stage clean/disinfection programmes.
- Kills a range of bacteria, yeast and viruses including *Listeria*, *campylobacter* and enveloped viruses.
- Passes EN 1276, EN 1650 and EN 14476.
- Blended detergent/disinfectant for hygiene sensitive areas.
- May be applied at ambient or elevated temperatures by brushing, soaking, spraying or fogging.
- Effective in all water conditions.

5 L

25 L

LAUNDRY

Search* Laundry Liquid

Laundry liquid

- Low-foaming, phosphate-free laundry liquid.
- Removes heavy stains, soil and odours.
- Contains optical brighteners.
- Outstanding washing ability at all temperatures.
- Suitable for hand washing.
- Use in all automatic and on-premise laundry machines.

5 L

Search* Fabric Conditioner

Fabric conditioner

- Highly-perfumed liquid with dual encapsulation technology.
- Keeps fabrics smelling fresher for longer.
- Reduces static cling in synthetic materials.
- Leaves cotton and polyester cotton less creased and easier to iron.
- Phosphate-free.
- Use in all automatic and on-premise laundry machines.

5 L

One3five Bio

Biological laundry powder

- Detergent powder for professional use in all automatic and on-premise laundry machines.
- A blend of enzymes and surfactants help to break down stubborn stains, even at low temperatures.
- Contains optical brighteners and is phosphate-free.
- Contains colour-safe oxygen bleaching agent.
- Long-lasting fragrance.
- Easy-flow powder which dissolves in all water conditions.
- Plastic free packaging - fully recyclable.

10 kg

One3five Non-bio

Non-biological laundry powder

- Detergent powder for professional use in all automatic and on-premise laundry machines.
- A blend of surfactants help to break down stubborn stains, even at low temperatures.
- Contains optical brighteners and is phosphate-free.
- Contains colour-safe oxygen bleaching agent.
- Long-lasting fragrance.
- Easy-flow powder which dissolves in all water conditions.
- Plastic free packaging - fully recyclable.

10 kg

LAUNDRY

Oxy Powder

Multi-purpose stain remover

- Effective, multi-purpose powder for cleaning and removing stains and heavy soiling from a variety of surfaces.
- Suitable for use on white and coloured fabrics, upholstery and carpets.
- Ideal for use where bleach is not acceptable.
- Quickly removes difficult stains such as mould, fruit juice, coffee and tea.

TUB

Crusader Laundry Liquid

For industrial and professional use only

- Concentrated, biological, phosphate-free. Low foaming laundry liquid.
- Outstanding washing ability.
- A blend of detergents and an optical brightener.
- Provides a brilliant cleaning performance.
- Suitable in hard or soft water.
- For use on 'on-premise' laundry installations.
- Supplied in a see-through container to easily check volume.
- Clean, fresh fragrance.

10 L 20 L

Crusader Fabric Conditioner

For industrial and professional use only

- Dual encapsulation technology.
- Leaves cotton and polyester cotton less creased and easier to iron.
- Reduces static in synthetics.
- Phosphate-free.
- Supplied in a see-through container to easily check volume.
- Contains an appealing and long-lasting perfume.
- For use on 'on-premise' laundry installations.

10 L 20 L

Crusader Oxy Destainer

For industrial and professional use only

- Powerful peroxide destainer to provide a safe bleaching action that will not damage fabric.
- Removes wine, fruit juice, coffee, tea and other stains.
- Maintains fabric whiteness and colour brightness.
- Thin liquid which is easy to dispense.
- Supplied in a see-through container to easily check volume.
- For use on 'on-premise' laundry installations.
